

ANNUAL NOTICE OF PARENTAL RIGHTS TO DENY  
STUDENT DIRECTORY INFORMATION  
(Referencing Policy 8330)

The Peshtigo School District is providing public notice to students and their parents of their right to deny access to student directory information. Under Federal regulations and State law, school districts are subject to releasing student "directory information" as outlined in policy 8330. Please refer to this policy as part of the Annual Notices provided to the parents.

Parents and eligible students may deny access to requesters of directory information upon written notification to the Peshtigo School District **within fifteen (15) days after receipt of the District's Annual Notices.**

If you wish to withhold student directory information on your child(ren), please print the names of your child(ren) and the grade level(s) below:
