Peshtigo School District: A Tradition of Excellence!

PELC Open House & Seventh Grade Orientation: Students and families welcomed back to start a new year together!

Teacher Inservice Training: Prior to school opening, teachers met with a curriculum specialist, to look at goals and methods for improvement. We have a tradition of excellence in the Peshtigo School District. One element of this is a dedication to self-evaluation, always looking for ways to improve. We also received ALICE safety training from several local law enforcement officers, including Peshtigo School Board Member, Joe Nault.
