

Dear High School Administrator:

Our scholarship offers students in your school's boys and girls basketball programs the opportunity to attend University of Wisconsin System schools.

This year the Ab Nicholas Scholarship Foundation will offer scholarships to approximately 100 Wisconsin public and private high school graduates based on need, academic achievement and character. The annual scholarships—\$10,000 for four-year programs and \$5,000 for two-year programs—are renewable for the length of the program.

Albert Nicholas, founder of the Nicholas Company, Inc., the Milwaukee-based investment advisory firm that manages the Nicholas mutual funds, established our foundation in 2012. He received an athletic scholarship to the University of Wisconsin-Madison, where he earned a bachelor's degree in economics and, later, an MBA in finance and investments. And he believes his UW education was instrumental in his success, on and off the court.

Now we want to offer that kind of opportunity to today's student athletes and managers. Help us spread the word to students who qualify to apply:

- Residents of Wisconsin
- Public and private high school students
- Basketball program participants in their senior year
- Planning to attend a University of Wisconsin System school
- Not participating in sports at the Division I level in college (4-year program only)

You can find more information at our website, www.AbNicholasScholars.org. Scholarship applications are available online only starting February 1 and must be submitted by April 30.

Please call or email if you have questions. We look forward to helping your students achieve their highest goals.

Sincerely,

Lynn Nicholas
