

Peshtigo Middle/High School Referendum: Please Vote November 8

Dear Parents & Guardians,

On the November 8 general election ballot, the Peshtigo School District is seeking \$39.95 million to expand and renovate the existing Middle High School to include new mechanical equipment, additional classrooms, and address safety and security.

93% of respondents to a recent community survey supported a referendum that prioritizes repairing the existing infrastructure, addresses safety, and updates spaces to meet the educational needs of students, so long as the tax impact was considered. This plan does both!

UPDATE: Referendum Impact on Taxpayers Decreases!

\$29 per year* for a reinvigorated Peshtigo Middle/High School. Here's why...

- On Friday, October 15, DPI released the final state aid certification.
- The Peshtigo School District was informed of an additional \$221,878 in state aid that reduces the property tax mill rate.

*As a result, the tax impact of an approved referendum is now only \$29 per year, per \$100,000 of property value.

Please Attend a Community Meeting

The community is invited to learn more about the referendum on:

Tuesday, November 1 - 6:30 PM
Peshtigo Middle/High School Library
380 Green Street, Peshtigo

Here's What is in the Plan:

Reconstruction

- ✓ Repair/replace basic infrastructure: heating, cooling, plumbing, and electric.
- ✓ Repair roof, exterior surfaces, windows and door replacements.
- ✓ Library/commons, existing gymnasium, tech ed, and offices.

Remodeling

- ✓ All classrooms will have new cabinetry, flooring, ceilings, paint.
- ✓ All hallways, corridors, common areas will be refurbished.

Expansion & Security

- ✓ Secure entrance.
- ✓ Tech Ed space.
- ✓ Four additional classrooms.
- ✓ Multi-purpose Gym / Performance Space.
